About us

Who are we?

We're Afshal, Anerie, Chandresh and Layan, the team behind Just Exercise!

A Afshal

A Anerie

C Chandresh

L Layan

Why do we care?

In group sessions, one instructor may watch 10 to 30 people at once, and exercise is tracked with handwritten logs. That makes it hard to know if everyone did what was prescribed.

Just Exercise! counts your reps for you, shows your progress, and makes exercising more fun.
